Designed for athletes on the go, the Utility Bag combines durable construction with smart storage for game day and travel. Built from rugged 600D Ripstop Poly PVC with foam-padded structure, it features a ventilated shoe compartment, fold-out gear locker shelves, secure bat straps, mesh water bottle sleeves, and multiple accessory pockets to keep equipment organized and accessible. The 44L capacity and backpack-style carry make it ideal for practices, tournaments, and everyday team travel.

SUBLIMATION

Permanent, full-color design, team name, and team logos dyed into the fabric-no cracking, peeling, or fading.
